

explore the
Desert Collection

The limited edition Desert Collection consists of three metallic colors inspired by desert landscapes.

Available to order in a limited period until **March 31st**.
Order your desert collection on our configurator.

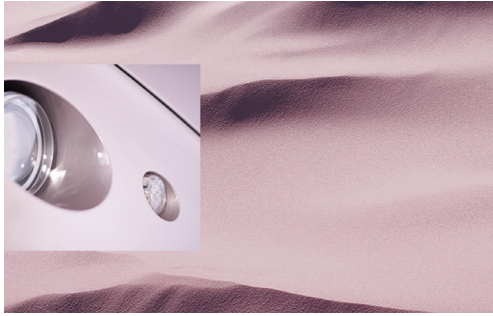

Rose Sands

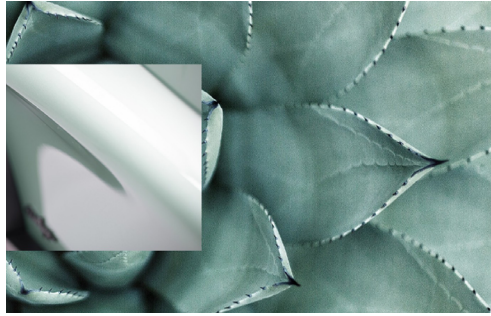

Green Agave

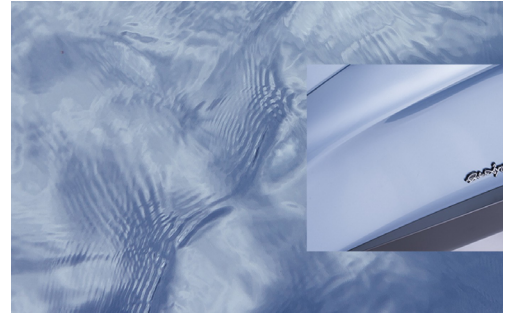

Blue Mirage

Inspired by flowing sand dunes, this delicate rose color is suggestive of elegance and sophistication.

Infused with the green tones of the agave plant, this muted green adds a touch of decadence to any Garia.

A modern take on powder blue is inspired by a desert Oasis, lending a hint of vibrance and freshness.
