GARIA

They say golf cart, we say golf car.

AN UNPARALLELED DRIVING EXPERIENCE

Garia's industry redefining golf car fuses dynamic performance and sleek aesthetics, creating a driving experience that transcends the golf course. Inspired by cars, driven by new possibilities, and built with passion, the Garia will change the way you think and feel about driving a neighborhood vehicle.

Available as either a PTV or an LSV, consult with your local dealer to find the right Garia for you.

Luxury
is a destination

Garia's zero-emission driving experience paves new possibilities for adventure. Enjoy longer outings and distraction-free comfort with plush amenities, superior handling, and unparalleled stability.

Garia's luxury lifestyle vehicle takes you to the golf course, country club, or out shopping. The possibilities are endless.

It’s in the details

Comfort is an art form, and Garia’s art is in the details. From headlight to tail light, every element of the Garia is curated for an exceptional driving experience. With your comfort as our sole focus, we have put thought into every detail, creating a car that has everything you need and other features you’ll love.

Limitless features

Aluminum rims

Our strength is in our quality.
Our rims are crafted from automo-tive-strength aluminum and are available in six variations to cater to your style preferences.

Power player

Power up with a USB power outlet for all of your electronic devices.

Store and go

Take what you need for every adventure Garia takes you on. Every model has ample storage space under the lockable front bonnet, our 2-seater models feature a utility box behind the seats, and our +2-seater models have storage under the rearward facing seats (shown).

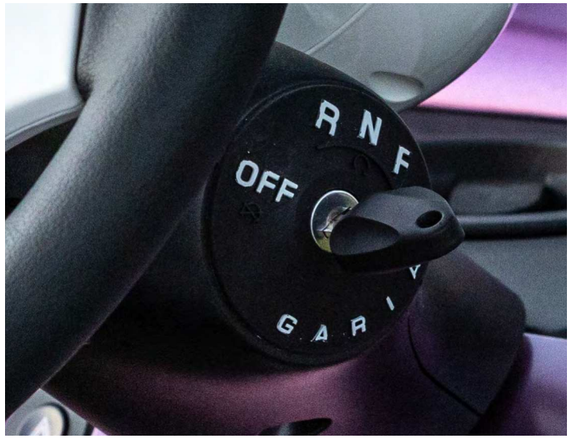

Refrigerator

Keep the fun going and your beverages cool with our refrigerator option integrated into the dashboard.

Waste Bin

Made of the same material and color as the seat, and featuring a protective insert, the removable waste bin helps you keep the interior and your surroundings clean.

Direction selector

Conveniently located on the steering column, the direction selector is easy to reach and simple to operate.

Dashboard

We put you in control of adventure. The soft-touch dashboard features controls for the windshield wipers, refrigerator, heated windshield, interior light and a golf ball and tee holder. Can also be combined with a bluetooth Stereo system with separate subwoofer and a splash of style with the Colored Decoration Panel (shown).

Headlights

Shine a light on adventure and safety with dynamic lighting options. Our models feature position lights and indicator lights front and rear, dipped/high beam headlights and brake lights.

Air scoop

Our cabin styling is a breath of fresh air. Let the outside in with a roof-mounted adjustable air scoop.

Peak performance

Hydraulic braking system

When it comes to brakes, Garia is a smooth operator. All models feature an advanced dual circuit brake system, which includes brakes on all four wheels with discs at the front and drums at the rear. The system also features an automatically engaging parking brake for your convenience.

Sports seats & design seats

Go the extra mile with comfort-optimizing seating.
Designed with a dip in the seat back and bottom, Garia's comfort sport seats prevent sliding when going around sharp turns and during street-legal drives. Design seats gives you the possibly to play, match and make your own seats with your name embroidered on it.

Double wishbone front suspension

Your wish for comfort is our demand. Similar to the suspension found in sports cars, the double wishbone front suspension ensures smooth handling, accurate steering, and superb stability when cornering and going over bumps.

Sport steering wheel

Take control of the adventure with a unique steering wheel design featuring an ergonomic grip that enhances steering control. Availabe in 4 finishes; standard silver, White Package, Black Package or Mansory style with genuine carbon fiber elements.

Lithium battery*

Fun doesn’t run on a battery. The lithium battery carries exclusively developed software, unique and made specifically for Garia vehicles. A lithium battery features less battery maintenance and a longer lifespan so your fun is never hindered by battery life.

Advanced technology

Digital instrument cluster

Be in the know every mile you drive with critical driver information in one convenient place.
The digital instrument cluster is an information center for speed, distance, time,
battery status, warning signals, and a resettable trip and hour-meter

Hill Hold System & Descent Control

Enjoy ultimate control of Garia, no matter where your trip takes you.
Hill hold keeps the Garia firmly in place when stopped or starting the vehicle on a slope. In case of insufficient acceleration applied when starting, the hill holder function will prevent the vehicle from rolling backwards. Descent control features regenerative breaking when going downhill or coasting. This allows the battery to recharge, provides a more extended range, and gives you full control over the vehicle, even when descending a steep hill.

Lockable space in front

Enjoy peace of mind while you're on the go or parked. All Garia models feature a lockable storage compartment in the front of the car to protect your belongings.

Garia Models

The Garia comes in various models ranging from 2-seaters to 6-seaters, lifted and non-lifted, each fitted with luxury features so you can sit back and enjoy your ride.

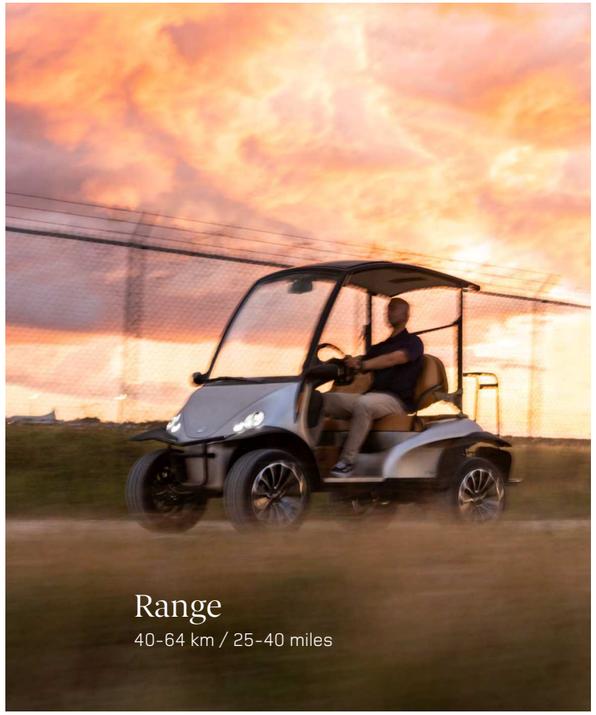

Garia VIA

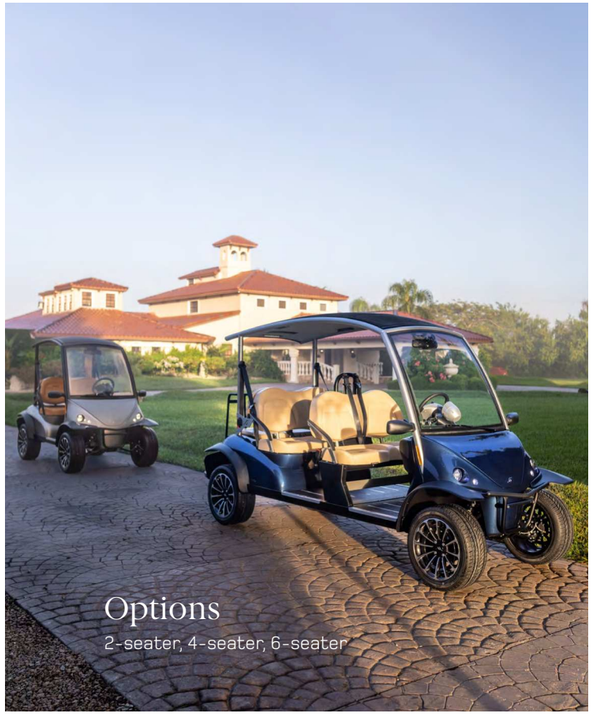

The Garia Via is the ideal luxury vehicle for golf, leisure and street use. Take the Garia Via from the golf course straight to your favorite shop, café or a night out on the town. For golfers our street-legal models can have an ergonomic golf bag holder. Positioned at a 45° angle, Garia golf bag holders give you easier access to your clubs, so you can get back in the game.

Garia Via comes in two distinct models: Via LSV and Via PTV. Via LSV is street-legal in the USA as a Low Speed Vehicle.

Garia Via

The Via is available as a 2, 2+2, 4, or 4+2 seater. All versions come in either normal or in an OFF-X lifted version, perfect to carry everyone in style. Use the configurator at garia.com to personalize your Garia.

Range
40-64 km / 25-40 miles

Options
2-seater, 4-seater, 6-seater

Max speed
40 km/h / 25 mph for Via LSV
30 km/h / 19 mph for Via PTV

Features Garia VIA

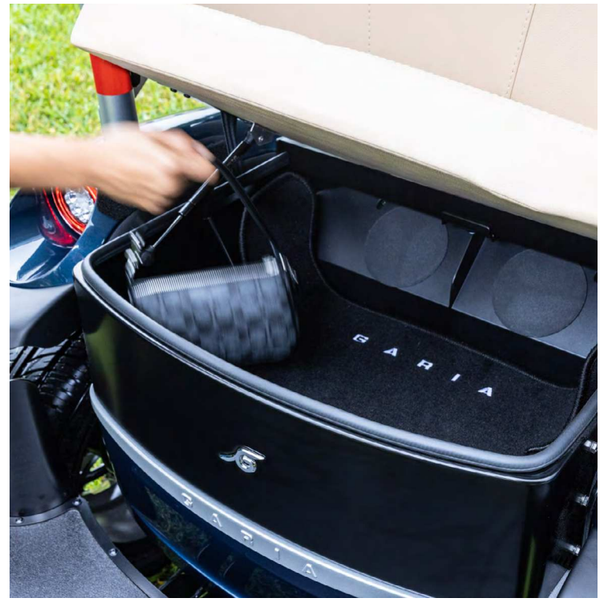

Integrated cabin

Nothing has been left to chance and everything to intentionality in Garia's integrated cabins. All Garia models are equipped with the largest cabin in their class and feature a sport steering wheel, cup holders, and a large instrument cluster with comprehensive driver information. Garia Via models have 3-point seatbelts on all forward-facing seats.

Rear Storage

The 2+2 or 4+2 models features rear seating for two additional occupants and incorporates storage space beneath the seats. Street-legal in the USA, available in both regular and OFF-X lifted versions.

Perfect Match

There is endless purposes for a Garia, yet it is always the perfect match.
